Procedure

There are 2 stages to the game:

1. During **registration**, fill up 10 ships in the grid in ink.
 - a. Each ship is of size 1x2 square grids and should NOT OVERLAP.
 - b. Borders of each ship must be clearly outlined.
2. During the **SHOOT**, wait for the NUS Shooter to take 5 shots.
 - a. Location of each shot will be announced and a CROSS MUST be made there.
 - b. If a ship is at that location, it will be considered as 'SUNK'.

The **TOP 5** participants with the **most number of ships left** will receive a prize!

Rules

1. Prizes will only be given to the top 5 participants with the most number of ships left.
2. In an event where there are no 5 clear winners, another shot will be taken till 5 clear winners are chosen.
3. No prizes for incomplete puzzles.
4. Winners must present their completed tickets to the emcee for verification in order to claim the prize.
5. The results are final and no appeals will be entertained.
